Design Background

From the moment 11-year-old Harry Potter met Rubeus Hagrid, Keeper of Keys and Grounds at Hogwarts School of Witchcraft and Wizardry, his adventures have left an indelible mark on popular culture. Today, over 25 years later, the Harry Potter phenomenon thrives as one of the most successful and best-loved entertainment properties in history.

A universe separate, yet parallel to our own, the wizarding world is a secret, magical world, filled with witches, wizards, and extraordinary creatures, where broomsticks fly, cauldrons simmer, and adventure awaits. Yet, despite the fascinations of magic, the choices between light and dark, right and easy, still remain – and it's those choices that define the course of the future.

Do you picture yourself on the Quidditch field with the courageousness of the brave Gryffindors or the cunning tactics of the ambitious Slytherins? Or you might prefer the long halls and enchanting libraries, like the wise Ravenclaws and hard-working Hufflepuffs. Our Harry Potter Collection offers the chance to uncover all the wonders that Hogwarts School of Witchcraft and Wizardry has to offer and embody your house pride. Your Harry Potter Collection Paperblanks journal is your creative companion to document your own magical experiences.

With our new Harry Potter Collection we offer you the chance to return to Hogwarts with our inspired designs. Moments of Magic Notebook, Harry Potter Collection

Artwork: Visual elements from the Harry Potter films

Design Background:

○ The tale of Harry Potter is incomplete without his best friends, Hermione and Ron, beside him to help face the challenges along the way. This design represents the beginning, middle, and end of the story that the Golden Trio make together.

○ The Owl symbolizes the beginning when Harry received his acceptance letter to Hogwarts, whereas the Flying Keys represent the beginning of the trio's shared adventure, the discovery of the Philosopher's Stone.

○ In the middle of their journey, they encounter an obstacle in the form of the Ministry of Magic, a powerful political force. Last is the symbol of the Deathly Hallows, this emblem defining the end of their journey together.

○ Our Paperblanks cahier brings to life these moments of magic to help you create your own magical story.

All Harry Potter cahier notebooks will be available in A4, A5, and A6 sizes.
