Warranty 25 months

ENG The Pulse® products are fully warranted to the original owner against defects in materials and workmanship for the lifetime of the product (maximum 25 months). If a product ever fails due to a manufacturing defect, even after extended use, we will repair the product, without charge, or replace it, at our discretion. This warranty does not cover damage caused by accident, improper care, negligence, normal wear and tear, or the natural breakdown of colors and materials over extended time and use. Please note that only original owner can claim defect and prove it with original receipt or invoice made by authorized dealer.

SRB/BIH/MNE Pulse® proizvodi su u potpunosti pokriveni garancijom prema stvarnom vlasniku u smislu greške u materijalu ili greške prilikom izrade za vreme garantnog roka proizvoda (25 meseci). Ukoliko proizvod ispolji grešku ili manu zbog greške u proizvodnji, čak i nakon duže upotrebe, mi ćemo popraviti proizvod bez naknade ili ga zameniti o našem trošku. Ova garancija ne pokriva oštećenja prouzrokovana nezgodom, nepravilnom upotrebom, nemarnošću, normalnim habanjem ili normalnim izbeljivanjem boja vremenom zbog česte upotrebe. Takođe napominjemo da samo stvarni vlasnik može reklamirati grešku i uz proizvod mora priložiti originalni račun ovlaštenog distributera.

HR/BIH/MNE Pulse® proizvodi su u potpunosti pokriveni jemstvom prema stvarnom vlasniku u smislu pogreška u materijalu ili pogreška prilikom izrade za vrijeme jemstvenog roka proizvoda (25 mjeseci). MK Pulse® proizvode se celosno pokriveni sa garancijom kon originalniot сопственик, во смисла на дефект во материјалот или при изработка за целосен рок на траење на производот (максимално 25 месеци). Доколку производот покаже очигледна грешка или дефект поради грешка во производството, дури и по подолго користење, ние ќе го поправиме производот без надокнада или ќе го замениме со нов без дополнителни трошоци. Оваа гаранција не ја покрива штетата предизвикана од незгода, неправилна употреба, негрижа, нормална употреба и трошење или нормално бледење на бојата со тек на времето поради честа употреба. Исто така, сакаме да напоменеме дека само вистинскиот сопственик може да рекламира дефект и со производот мора да ја достави оригиналната сметка од овластен дистрибутер.

AL Prodhimet e Pulse janë në tërësi të mbuluara me garancion ndaj blerësit, në rast të defekteve eventuale në material apo gabimeve në prodhim, gjatë tërë afatit garantues (maksimalisht 25 muaj). Nëse prodhimi paraqitet me defekt apo gabim tjetër edhe gjatë përdorimit më të gjatë, ne do ta rregullojmë, ose do ta ndërrojmë atë me shpenzime tona. Ky garancion nuk mbulon dëmtimet e shkaktuara nga ndonjë fatkeqësi apo nga pakujdesia e blerësit ose nga përdorimi jo adekuat, si dhe avarisjen dhe zbardhimin normal të materialit për shkak të përdorimit të shpeshtë të tij. Poashtu tërheqim vërejtjen se vetëm blerësi i vërtetë i mallit mund ta reklamoj atë duke ju drejtuar distributorit të autorizuar.

SLO Pulse® proizvodi so popolnoma pokriti z jamstvom do originalnega lastnika v smislu napak v materialu ali pri proizvodnji za kompletno obdobje trajanja proizvoda (maksimalno 25 mesecev). V kolikor proizvod izkaže napako tudi po daljši uporabi, ga bomo popravili brezplačno ali ga zamenjali na naše stroške. Ta garancija ne pokriva napak, ki se zgodijo po nesreči, ob nepazljivi uporabi, malomarnosti in normalnem bledenju barv skozi večkratno uporabo. Opozarjamo pa tudi, da samo originalni lastnik lahko reklamira napako in ob proizvodu se mora predložiti tudi originalni račun pooblaščenega prodajalca.

BG Производителят на продукте с марка "PULSE" гарантира качеството на материала и изработката, както и на жизнения цикъл на продуктите (максимум 25 месеца). Ако продуктът е с производствен дефект ние ще го поправим или ще го замени, по наше усмотрение. Тази гаранция не покрива щети, причинени от злополука, неправилно съхранение, небрежност, нормално износване на цветовете и материали през продължителен период от време и използване. Моля, имайте предвид, че само първоначалният собственик може да претендира за дефект, както и да докаже произхода с оригиналната касова бележка или фактура, издадена оторизиран дилър.

RO Produsele Pulse® sunt pe deplin garantate proprietarului împotriva defectelor materiale și de fabricație pentru durata de viață a produsului (maxim 25 de luni). În cazul în care un produs nu mai poate fi utilizat în bune condiții din cauza unui defect de fabricație, chiar și după utilizare prelungită, vom repara produsul, fără plată, sau îl vom înlocui, după cum vom decide. Această garanție nu acoperă daunele cauzate de accidente, îngrijire necorespunzătoare, neglijență, uzura normală, sau modificarea naturală în timp a culorilor și materialelor datorată utilizării extinse. Vă rugăm să rețineți că numai proprietarul inițial poate pretinde garanția, pe baza bonului original sau a facturii emise de un vânzător autorizat.

HU A Pulse® termék a termék teljes életciklusára (maximum 25 hónap) szóló anyagi és gyártási garanciával rendelkezik. Ha egy termék gyártási hiba miatt tönkremegy, még annak használatbavétele után is javítjuk, vagy szükség esetén kicseréljük. Ez a garancia nem vonatkozik a termék balesetből adódó károsodására, nem rendeltetésszerű használatára, gondatlan használatára, elhasználódására vagy a termék használatból adódó színvesztésére. Kizárólag a termék tulajdonosa jelezheti a termék károsodását, melyet csak abban az esetben tudunk elfogadni, ha rendelkezik a vásárlást igazoló eredeti százával vagy nyugtával a termék kizárólagos forgalmazójától.

CZ Na výrobky Pulse® se vztahuje záruka na vady materiálu a zpracování po dobu životnosti výrobku (max. 25 měsíců). Je-li výrobek zničen v důsledku výrobní vady, a to i po delší době používání, produkt bez poplatku opravíme nebo nahradíme, podle našeho uvážení. Tato záruka se nevztahuje na poškození způsobené v důsledku nehody, nesprávného užívání, nedbalostí, běžného opotřebení nebo ztráty barev v průběhu používání. Vezměte prosím na vědomí, že pouze původní majitel může výrobek reklamovat a to pouze s původní stvrzenkou nebo fakturou ze strany autorizovaného prodejce.

SK Na výrobky Pulse® sa vzťahuje materiálna a výrobná záruka počas celého životného cyklu výrobku (max. 25 mesiacov). Ak sa výrobok zničí z dôvodu výrobných vad, opravujeme ho aj po použití tohoto výrobku, alebo v prípade potreby ho vymeníme. Táto záruka sa nevzťahuje na závy vzniknuté nesprávnou obsluhou, na mechanické poškodenia, na opotrebenie výrobku alebo na stratu farby výrobku z dôvodu používania. Jediné majiteľ výrobku môže nahlásiť poškodenie výrobku, ktorý vieme prijať iba v tom prípade, ak má k dispozícii doklad o zakúpení výrobku alebo blok od dovozcu výrobku.

LT The Pulse® gaminiams suteikiama garantija, užtikrinanti, kad gaminyms neturi medžiagų bei darbo kokybės defektų visą jo naudojimo laiką (daugiausiai 25 mėnesiai). Jei gaminyms nuvils dėl gamybos defekto, netgi po ilgesnio naudojimo mes jį sutaisyms be mokesčio arba savo nuožiūra jį pakeisime. Ši garantija negalioja žalai dėl nelaimingo atsitikimo, netinkamos priežiūros, aplaidumo, nusidėvėjimo ar natūralaus spalvų išblukimo dėl laiko bei kasdienio naudojimo. Atkreipkite dėmesį, kad savininkas gali pateikti pretenziją dėl defekto tik turėdamas originalų kvitą arba sąskaitą faktūrą, išduotą įgalioto atstovo.

PL Produkty marki Pulse® w momencie zakupu są wolne od wad materiałowych i wykonawczych. Gwarancja obejmuje okres 25 miesięcy od daty zakupu. W tym czasie wszelkie uszkodzenia produktu wynikające z wad fabrycznych (nawet po długotrwałym użytkowaniu) podlegają naprawie lub wymianie bez dodatkowych opłat (wedle uznania producenta). Niniejsza gwarancja nie obejmuje uszkodzeń spowodowanych przez niewłaściwe użytkowanie, pielęgnację, zaniedbanie użytkownika, naturalne zużycie lub naturalne odbarwienie kolorów i materiałów wynikające z długiego użytkowania. Podstawą do rozpatrzenia gwarancji jest posiadanie dowodu zakupu. W razie jakichkolwiek problemów z niniejszym produktem, skontaktuj się ze swoim sprzedawcą.

RUS Продукция Pulse® полностью гарантирует владельцу отсутствие дефектов и производственных браков, в течение срока службы продукта (25 месяцев). В случае обнаружения брака, даже после длительного использования, мы устраним повреждения или же заменим товар по нашему усмотрению. Эта гарантия не распространяется на ущерб, причиненный в результате аварии, неправильного ухода, небрежности, естественного износа или естественного распада цветов и материалов в течение длительного времени и использования. Просьба обратить внимание, что только первоначальный владелец может предъявить претензии при обнаружении дефекта/брака при наличии оригинала оплаченного счета от официального диллера.

KZ Pulse® өз өнімдерінде ақау болмайтындығына, егер ұзақ мерзім пайдаланғаннан кейін де ақау пайда бола қалса оны жөндеуге, өзі қажет жағдайда ауыстырып беруге кепілдік береді (25 ай). Апат жағдайында, дұрыс күтілмегенде, салғырт қарағанда немесе ұзақ пайдаланылғаннан кейін тозғанда пайда болған кемістіктерге кепілдік берілмейді. Заттың тек ең алғашқы иесі ғана ресми дилердің төлем есебінің түпнұсқасын көрсеткен жағдайда қандай да бір ақау туралы шағымдана алатынын ескеруді сұраймыз.

GR Τα προϊόντα Pulse® καλύπτονται από εγγύηση έναντι του κατόχου για ελάττωμα στα υλικά ή την κατασκευή καθ' όλη τη διάρκεια ζωής του προϊόντος (έως 25 μηνών). Σε περίπτωση ζημιάς που οφείλεται σε κατασκευαστικό λάθος, αναλαμβάνουμε την ανέξοδη επισκευή του προϊόντος, ή αντικατάστασή του κατά την κρίση μας. Η εγγύηση δεν καλύπτει ζημιές που οφείλονται σε ατύχημα, κακή χρήση, αμέλεια, φυσική φθορά, αλλοίωση των χρωμάτων ή των υλικών από το πέρασμα του χρόνου και της παρατεταμένης χρήσης. Μόνο ο κάτοχος μπορεί να διεκδικήσει το δικαίωμα στην εγγύηση με την προσκόμιση της απόδειξης αγοράς ή τιμολογίου από το κατάστημα που το προμηθεύτηκε.

FR Les produits Pulse® sont totalement garantis à l'acheteur d'origine contre les défauts de matériels et de fabrication qui interviennent pendant la durée de vie normale du produit, fixée à un maximum de 25 mois. Si le produit présente un défaut de fabrication, même après une longue période d'utilisation, nous nous engageons à le réparer ou à le remplacer à nos frais. Cette garantie ne couvre pas les dommages causés par accident, négligence, défaut d'entretien, ou liés à la dégradation normale des couleurs et des matériaux, avec le temps et l'usage. Nous précisons également que seul le propriétaire d'origine, sur présentation de la facture de l'un de nos distributeurs agréés, peut bénéficier de cette garantie.

IT I prodotti Pulse® sono garantiti in toto al primo proprietario contro i difetti di materiale e di lavorazione per il tempo di vita del prodotto (massimo 25 mesi). Se un prodotto è danneggiato a causa di un difetto di produzione, anche dopo un uso prolungato, lo ripareremo, senza costi, o lo sostituiremo, a nostra discrezione. Questa garanzia non copre i danni causati da incidenti, da cura impropria, negligenza, normale usura o strappo, o da naturale scolorimento o degrado di materiali dopo un uso prolungato e per un periodo protratto. Si prega di notare che solo il primo proprietario può reclamare relativamente ai difetti ed è tenuto a provare l'acquisto con la ricevuta originale o la fattura emessa da un rivenditore autorizzato.

PT Os produtos Pulse® possuem garantia total contra defeitos dos artigos e mão de obra pela vida útil do produto (máximo 25 meses). Mesmo após seu uso prolongado, se houver qualquer tipo de falha devido algum defeito de fabricação, iremos reparar o produto sem cobrança ou o substituiremos, ficará a nosso critério. Esta garantia não cobre danos causados por acidentes, cuidados impróprios, negligência, uso e desgaste normal ou natural das cores e dos materiais ao longo do uso e tempo prolongado. Atente, apenas o comprador pode reclamar dos defeitos, provando com recibo original ou fatura feita por um revendedor autorizado.

ES Los productos Pulse® están totalmente garantizados contra defectos de los artículos durante la vida útil del producto (máximo 25 meses). Incluso, después del uso prolongado sí hubiera cualquier defecto de fabricación, reparamos el producto sin cargo alguno o lo cambiamos. Esta garantía no cubre los daños causados por accidentes, uso inadecuado, negligencias, desgaste y descomposición de colores por el uso prolongado. Solamente se aceptarán reclamaciones o devoluciones por defectos del comprador con el recibo o factura hecha por el distribuidor autorizado.

DE Pulse® bietet dem Erstkäufer eine vollständige Garantie auf die Pulse®-Produkte im Bezug auf Material- und Verarbeitungsfehler für die Produktlebensdauer (maximal 25 Monate) an. Sollte mit diesem Produkt einmal ein Problem auftreten, das auf einen Herstellungsfehler zurückzuführen ist, auch nach längerem Gebrauch, werden wir nach unserem Ermessen das Produkt kostenlos reparieren oder ersetzen. Diese Garantie deckt keine Schäden, die durch Unfall, unsachgemäßen Gebrauch, Fahrlässigkeit, normalen Verschleiß sowie normales Verblässen der Farben über längere Zeit und Nutzung verursacht wurden. Beachten Sie bitte, dass diese Garantie ausschließlich für den Erstkäufer gilt, der das defekte Produkt unter Vorlage der Originalrechnung eines Vertragshändlers reklamieren kann.

NO Produkter fra Pulse® har garanti mot feil på materialer og arbeid begrenset til 25 måneder. Om et produkt skulle ha en mangel vil vi reparere eller erstatte produktet uten kostnad for eier. Garantien gjelder ikke skader som oppstår ved ulykker, grunnet dårlig vedlikehold, eller uakksomhet. Dekker ikke normal slitasje eller bleking av farger som oppstår ved bruk over tid. Garantiberettigede krav skal fremmes av produktets eier og dokumenteres med kvittering eller faktura fra utsalgssted eller forhandler.

Product features

Air flow

Description: Specially designed mesh on the back of backpack.
 Advantages: Together with padded backing with foam, airflow mesh provides circulation of air which prevents or reduces sweating, provides better comfort while wearing and increases durability of backpack.

Organizer

Description: In front pocket there is special organizer in which you can put your pens, business cards, money, keys...
 Advantages: Very convenient for trips or visit to the beach.

Ventilation holes

Description: On front pocket there are special designed holes which provide circulation of air so your wet clothes or shoes will not smell bad or mold.
 Advantages: Very convenient for sport activities.

Laptop compartment

Description: Dependent on different model there are different size and features of laptop compartments: simple or more complicated (lap top + tablet).
 Mark 15", 15,4", 15,6" or 17" shows which size of lap top can fit in.
 Advantages: Protects your computer from breaking.

Banana straps

Description: Straps follow anatomy of shoulders and body so weight is spread more evenly.
 Advantages: More comfort while wearing heavy backpack.

Side pockets

Description: On sides of backpack are placed single or double mesh pockets for water bottle, juice or coffee mug.
 Advantages: Easy access of water and reduced risk of leakage inside backpack.

Adjustment straps

Description: These straps are positioned on top of shoulder straps and have purpose to adjust height of backpack to your body.
 Advantages: If straps are adjusted correctly, backpack will be more comfortable and weight will be more distributed to legs (not to spine). Very important for small kids.

Metal zipper pullers

Description: Zipper pullers made from metal with hole inside so you can place lock two pulers together and completely close compartment.
 Advantages: Better durability (compared with rubber or plastic) and possible locking of compartment (anti-theft).

Free standing

Description: Backpacks with this mark have bottom made from metal construction inside EVA foam, so backpack will stand by itself when placed on the floor (it will not fall).
 Advantages: Small kids often put backpack on the floor, so backpack will not fall and get dirty.

Double bottom

Description: Bottom of backpack is made with 3 layers (lining, foam and outer material).
 Advantages: Keeps better shape of backpack; Sharp objects can not cut through (scissors or sharp books); Better durability.

HQ

HQ Buckles

Description: Buckles made of special material.
Tested resistance of 85kg force.

35 liter

Volume

Description: Volume of backpack measured in liters.

Reflecting material

Description: On some parts of backpacks is added reflecting material.
Advantages: Protects kids or adults in traffic. Very important for small kids.

Raincover

Description: On bottom of backpack there is special pocket in which raincover is placed. Raincover is made from bright green Polyester 210D and reflecting material.
Advantages: Protects backpack from rain, but also kids or adults in traffic. Very important for small kids.

Water repellent

Description: Material of backpack has a layer of special gel which repels water, so water does not touch surface of material – it just slides off.
Advantages: After walking in the rain, just shake your backpack and it will be dry again. Very convenient for outdoor sports and small kids (no need to dry backpack for hours). Please note that if you wash your backpack with detergent, water repellency may be reduced or come off. Backpack will still be waterproof (because of inner coating) so water will not come inside backpack, but outer layer of material will be wet.

Media holes

Description: Media holes are positioned on top or side of backpack so you could put your media (phone or player) inside of backpack and pull earphones through media hole.
Advantages: Your media (phone or player) is protected inside backpack, so there is less chance of breaking or theft.

Media pocket

Description: Special pocket made from anti-scratch material.
Advantages: Your media is better protected from scratches and damage.

USB-Headset connector

Description: New connector for headphones and USB (2in1) which is placed on shoulder straps with wire directly inside backpack.
Advantages: You can use power bank inside backpack and easily recharge your phone while still using it. More safety in traffic (easy plug in and out). More safety for media which is placed safely inside backpack. No more intricated cables.

NT

Name tag

Description: Rubber tag connected on the back of backpacks for small kids, so you could write name and address.
Advantages: If backpack of your kid is lost, there is better chance of finding it. Also, there is less chance of exchanging simmilar backpacks between kids.

Back frame

Description: Inside backing there is metal anatomical construction which prevents bending of spine.
Advantages: Together with banana straps and adjustment straps, back frame prevents small kids from bending spine, pulls shoulders back and distribute weight to legs. Very important for small kids.

1680d

High quality material

Description: All PULSE backpacks are made from fresh materials which are controlled and made especially for PULSE. Each material is coated with two layers of Polyuthilene and are PVC FREE. All materials comply to REACH European regulations.
Advantages: Safe for health, strong, durable, waterproof.

Protection foam

Description: Each PULSE backpack is padded with special foam on the back.
Advantages: Keeps better shape of backpack; Sharp objects can not cut through (scissors or sharp books); Better durability.

Trolley for backpack

Lightweight and strong.
Designed with advanced and
lighter weight components.

All backpacks from the
Anatomic i Anatomic XL
collection can be connected
to trolley by straps.

ERGONOMIC HANDLE SYSTEM

Our push button retractable
handle system is made of
aircraft grade aluminum
tubing for reliability and
ease of use.
Ergonomic handle ensures a
comfortable grip.

Three handle positions for
three levels of height.

360° 4 WHEEL SYSTEM

Case rotates 360° for complete
mobility. Wheels help make
gliding or pulling even easier
than standard single wheels.

Specially designed
straps can easily
connect to the
trolley holder.
